Say goodbye to processing fees

Say hello to savings

- Stop legally paying your monthly processing fees NOW!

Businesses are now allowed to use non cash adjustment technology. This allows the processing fees to be bundled into the transaction amount at the time of sale.

Thank COVID, the IRS & Government for allowing you to take advantage of the same pricing they have been using to eliminate their fees!

CUSTOMER PRICING NOTE

A 4% customer service charge is applied to all sales at this location.

CASH DISCOUNT

As an incentive for our valued customers we now provide discount to pay with by giving a 4% immediate discount on the customer service charge.

Pay by Cash and Save!

Community Coupons

What is it?

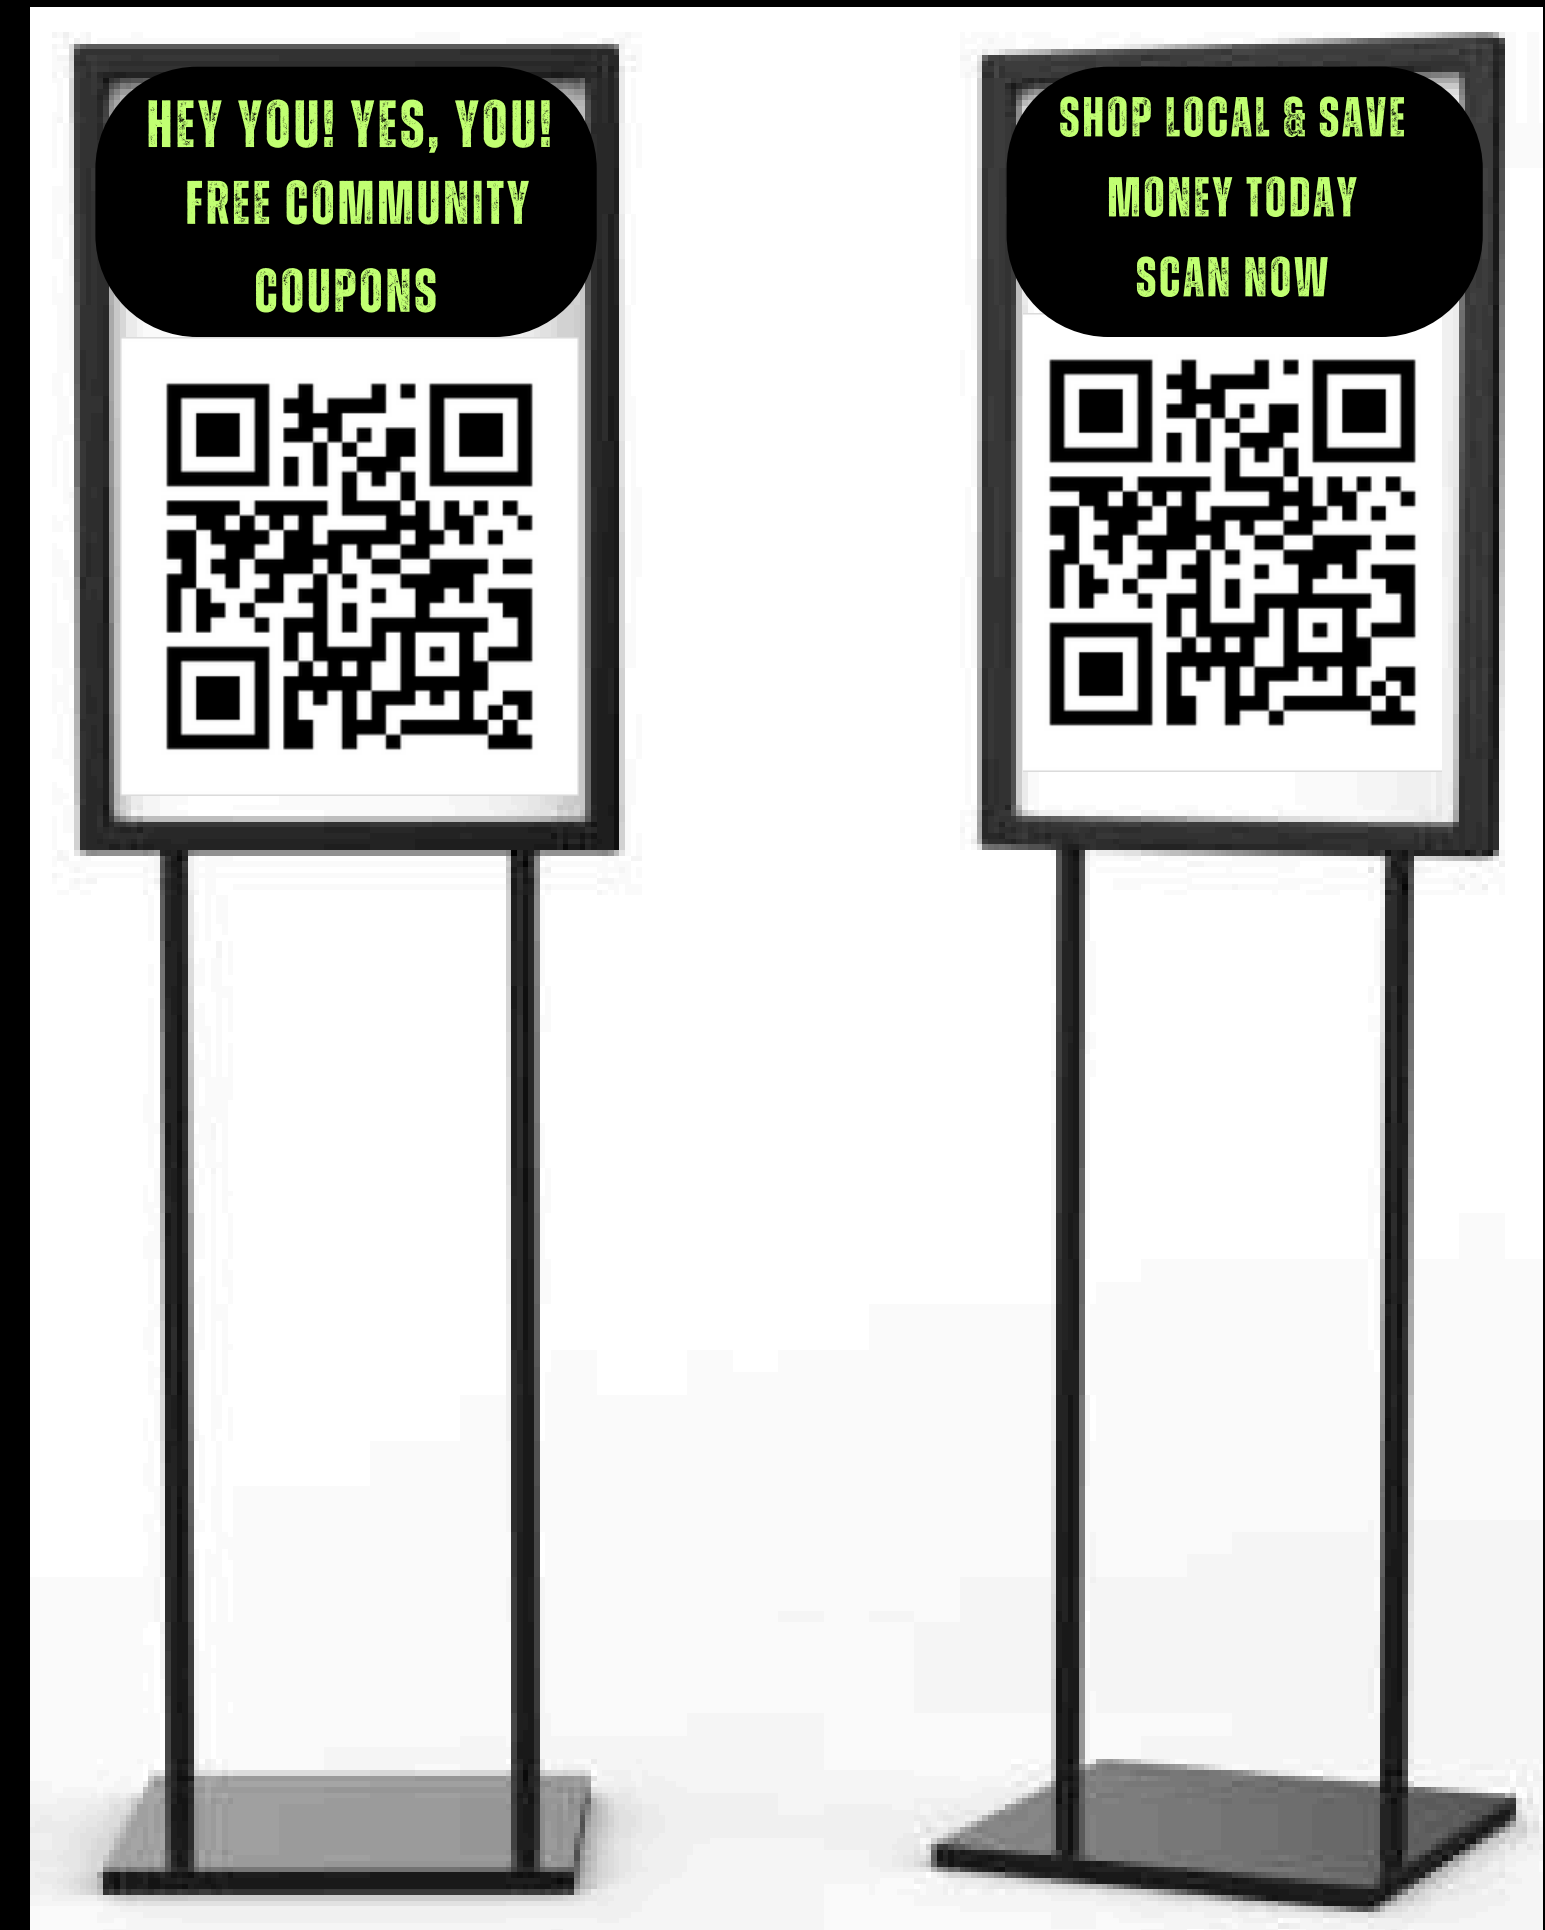

Community Coupons is our unique eye catching, attention grabbing, local business driving, digital QR code Community category coupon finder, weekly & monthly digital emailed coupon ads & QR code coupon display stands. That we strategically place throughout the local Community. To get your business in-front of soon to be customers who are searching and ready to spend!

To get flashy catchy money saving coupons in the hands of your searching soon to be customers and target market. Our Community Coupon display stands are put in high foot traffic areas and businesses. Where visual attention gets captured and monthly results get calculated! We custom create all our clients Community Coupons. Updates and changes on coupon details and images can be made in a moments notice.

Why?

NO Contract
MONTH TO MONTH

- So you can start generating way more monthly revenue with our proven Community Coupon solution.
- To give your local new and returning customers looking to buy a way to save money on their next purchase.
- So we can strategically increase your monthly sales volume by at least 15-35% on average with Community Coupons proven technique!
- So you can easily monitor and see your monthly coupon use and revenue increases. By the coupons QR code at time of sale tracked through your POS solution. Or just track your monthly revenue increases on your monthly card processing statement, cash, check and coupon intake!
- Other smoke in mirror song and dances give no or low results. That cost way more for way less of a return, if any. Without anyway to track and provide results as we do!
- Who doesn't like to save a buck in today's world with a simple easy to find and use coupon. That's used at local businesses supporting the local community. So they can buy something they are already looking for on Community Coupons!
